Greg Wetzel presents

ALL ABOUT TRUFFLES!

please reserve by 5:00 PM Monday January 12 to help our chefs plan!

Greenwood Senior Center
525 N. 85th St. Seattle WA 98103

Greg Wetzel talks about all things to do with the Alba White Truffle. The essence of the talk is taken from a volume entitled "The Truffle _____ Sensory Code" published by "Narratori del gusto." The talk will cover a description of what a truffle is, what the sensory effects of truffles are and will include the evaluation criteria to inform your decision about buying a particular truffle, and how truffles grow (climate, soil, species).

The delightful Pre-Dante Pasta dinner preceding Greg's talk will be created by Dante volunteers Dom and Louise Sportelli. Don't miss this fun evening! Please make a reservation by Monday, January 12 so our chefs can prepare enough food. **Note:** thanks to a generous donor, we have plenty of vino onsite to share at this meeting, but please DO bring antipasti and desserts to share!
